**SLOW PLAY IS EVERYONES
BUSINESS. KEEP UP WITH THE
GROUP IN FRONT OF YOU!**

Rules Corner

Rule 6-2b says the teeing area extends from the tee markers' front edge closest to the front of the tee box and back two club lengths (8feet). The sides are defined by the outside edges of the tee markers.

What happens if you tee off either ahead, behind or outside the edges of the teeing area?

Stroke Play:

The original stroke is canceled, you incur a 2 stroke penalty and must re-tee from the correct area. You're hitting 3 when you re-tee the correct area.

Match Play:

Your opponent has the option of canceling your stroke and having you re-tee from the correct teeing ground area or have you play the tee shot you hit from the wrong area. There is no penalty.

From the Prez

The course will be closed part of the week after Easter . The green crew will be busy with spring chores. This means punching the greens. So on Tuesday the 9th, we will playing a no putt game from the silver tees using 1/2 your handicap. These sweep people are genius!

Team play is continuing. Did you know that San Diego Womens Golf Association runs team play through out the county? It also runs tournaments that you are welcome to play. These events are that are played all over the county.

The Golf Course Advisory Committee met this week to review the revised Policies and Procedures Manuel for Coronado golf course. I watched Mary Youngman our CGA delegate skillfully represent CWGC.

The tournament team have promised us another fun day on the 21st of May. Be sure and sign in. it is a four man team event. if you can't field one, let cwgc.tournaments.com know and they will try to fix you up!

it is amazing that the first quarter of 2024 is behind us. I am looking forward to more great golf and some warmer temps!

Karen

PS Reminder: all range balls belong to the course and must remain there.
