

2026 Team signup has arrived. This is a fun way to meet other club members and play at other courses. Team play is a betterball, partner event. Coronado has had three teams in the past so the lowest 45 players who show an interest will qualify for team play. Handicaps can range from 1 to 40, so don't feel like you need to be a single digit golfer to play team. There is some driving to other clubs and you pay your own green fees and cart fee.

Matches typically start in February and run through May or early June. They are often on Mondays, although we are at the mercy of the golf courses to give us tee times. We usually have 8 or 10 matches total, and you do not have to play every match. If you are interested, please email your name, email address, ghin number, and current index to Beckey Smiser (Team 1, handicaps up to 17),
