Dear Mike:

On behalf of the American Golf Corporation and its employees, a heartfelt thank you for partnering with us this year in the annual Christmas Toy Drive. The recipients of the donated toys were children from underserved communities who participated in the County of Los Angeles Department of Parks and Recreation Holiday Winter Programs. Your club's generosity resulted in the collection of over 200 toys! Thank you!

It's partnerships like this that remind us we can have a greater impact together. Your dedication to giving back is a shining example, and we are deeply appreciative of the effort you put into making the toy drive a success.

Wishing you and the Lakewood Men's Golf Club membership joy, peace, and lots of rounds of golf in the holiday season

Warm regards,

*Jorge A. Badel*
