The Rules Corner

It's 2026 and it is time to set some golf resolutions!

Do you have friend and or family taking up golf? Suggest that they read a primer on the rules and golf etiquett. A good one can be found at:

<https://sportsdegreeonline.org/a-beginners-guide-to-golf-rules-and-etiquette/>

How about brushing up on the rules yourself? USGA.org is a great resource. They have free Rules -101 course with lessons and quizzes. You can pick and chose which lessons to do or to skip directly to the quiz and see what you need to brush up on. You can find the course at

<http://rules.usga.org/courses/rules-101/>

From the Prez.....

So much has been happening with the CWGC. We moved out of the clubroom and into the Men's clubroom to share. If you are looking for our closest to the pin flags, they are in the cupboard in the foyer below the computer. The flags are on the first shelf on the left. The new clubroom will not be public like our old one.

Beverly Patterson has been our valiant sweeps director and has done a remarkable job keeping everything in order for many years. She now has a new job of getting herself well and back to golf. Consequently, we are without a Sweeps Director. We are creating a Sweeps Team so we are not dependent on one person to keep the show going. Carrie Campbell Wood and Michele Schmidt, our Sunday Funday leaders, have been so gracious to pick up the slack since Bev's surgery.

It is time for us to help out. That's right, another learning moment. Carrie has written up the next two pages. Please read thoroughly. In the past, the sweeps person had to babysit each tee sheet for two weeks until it goes to the pro shop. The new system will allow you to move or delete your name only. This should make the job much easier for those running sweeps. We will be moving to this new system before summer.

Our treasure Cretia Hadley has done a great job her rookie year with us. It is not an easy job and we appreciate her work. She would like to remind everyone one that we ALL need to switch to Venmo or Zell for future payments to the club.

We had to reschedule the Presidents two day Eclectic. It will be happening the 11 and 18 of August. Our next Tournament will be our invitational May 19th. In the mean time we have three teams from CWGC playing in the San Diego County Womans Golf Association team play.

We have a fabulous website. Please familiarize yourself with it. Debbi Strauss our webmaster does a fine job keeping it up to date and full of valuable information.

Yours in golf,
Karen

Membership updating the open Tee Times.

CWGC would like to move to allowing the MEMBERS to make changes ,additions and cancellations to their own tee time prior to the playdate. To do this, you must be able to log in to the GG App or Golf Genius site with your email and password. Golf Genius will be able to identify you and allow you to change "YOU" on the tee sheets.

NOTE: The initial signup will still be done as it is today; email 16 days prior on Sunday at 7am. The Tee Sheet will be built by a Sweeps Team member and then opened to the Member Portal for membership access and updates.

We are anticipating this to happen in the near future. The exact details will be sent in another newsletter dedicated to that happening. **BUT FIRST** - anyone that would like to take advantage of being able to update their own tee time must move to logging in with their email and password. The rest will still be able to email for changes. Using the email method may make it more difficult to get that open spot because an online member may get there first.

The GGID will still be made available in the Tip Sheet for scoring but you will not be able to access any open tee times with a GGID.

All Coronado Women's Golf Club members have been registered with both the CWGC 2026 Sweeps League and the CWGC 2026 Sunday Funday League. After selecting the League, you can enter scores for an event you are playing in, look at tee times, see results and access other information on the Member Portal for each League. When you log into the GG App on your mobile device, you will be presented with those two leagues and any others that you may have played in during the current year.

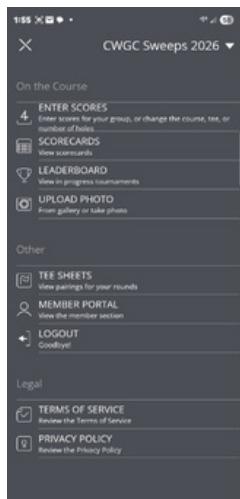

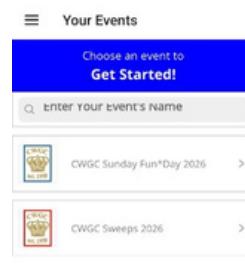

CWGC would like to begin transitioning to use of the email and password to access scoring. So - please try to log into the GG App or www.golfgenius.com with your email that received this newsletter. There will be a "forgot your password?" link that will walk you through changing your password if needed. We have board members and others that are willing to stay after playing on Tuesdays to assist everyone to get this working. Use a password you will remember. HINT: I remember my GHIN number (or part of it)!

There are some members that did not complete their registration and would have issues with this. Please send an email to cwgc.teetimes@gmail.com if the password reset does not get you into the GG App.

Board members and others have volunteered to stay around on Tuesday's to help get everyone interested set up!

Once you are logged in, you will receive this Events Menu. Select the one you are interested in. Most of you will select Sweeps. Some will need both. Due to the extensive waiting list with the Sunday Funday, we do not anticipate allowing member changes to the Funday Tee Sheet at this time.

Once a League is selected, you will get this menu. If you have scored in GG before, you should be familiar with this one! The access for the open Tee Times will be in the Member Portal. Take this time to look around there. There are lots of other good things there too, like the membership roster list with emails and phone numbers!

The email and password can also be used to access the Member Portal from any computer browser at www.golfgenius.com. Again, this will give you access to a lot of information on the Member Portal including player statistics and league standings. The login at a computer will look like this. To access the Tee Sheets you would use the “Go to Portal” on the right side under “Actions”.
