The Event

See Official Rules Sheet for Further Information

Format
Five, 9-hole, better ball matches within designated Flights. Each match is worth **9 total points,** NO bonus point. 1 point per hole, ties will get ½ point.
NEW: Maximum Points Awarded 7.

Flights
There are 16 flights of 6 teams that were determined by the team's total 18-hole handicap index.

Playing Handicap
Players are receiving 90% of their handicap with the maximum playing handicap of 28. The lowest handicap in the foursome will play at scratch. His partner and opponents will receive the full difference from his handicap as it falls on the scorecard. Handicaps will be halved since each match is a 9-hole match. Complete calculations of handicaps by match can be found on the web portal under Pairings / Flights / Players – Handicap Analysis.

Tees
Men under 60 play the **IV TEES,** Men 60-69 play **III TEES,** Men 70-79 play **II TEES,** Men 80+ play the **I TEES.** Players will receive their playing handicap from the tee played. **Players wishing to move up MUST alert the Golf Professional by Monday, June 5th at 5:00PM.**

Scoring NEW
NEW FOR THIS YEAR: We will use digital scoring using Golf Genius Software/App. No paper Scorecard. Each team will need to have the Golf Genius App installed on their phone. You will receive a GGID for each match that will allow you to keep your opponent's scorecard as well as your marker notes. At the end of the match, both teams will need to attest the scores from the app. Below is a short video of how this process works.

Golf Genius Digital Scoring Instructions - CLICK

Prizes
Flights will be paid in Golf Shop Gift Certificates as follows:
1st - $300
2nd - $200

Shootout Qualifiers
Each Flight winner and 2 "Last Chance" teams will be invited into the Shootout. The Flight winner is determined by the team with the most accumulated points in their flight. The team accumulating the most number of points on the FINAL ROUND ONLY (1 team in each AM/PM wave) will be the "Last Chance" teams.

Shootout Format / Handicapping / Tees
Format: This year's Shootout will be an Aggregate Total of odd/even alternate shot conducted on 3 holes; #1, #2, and #6. The lowest 6 Flights (including the Last Chance Teams) will begin on #1, the next 6 lowest Flights will begin on #2, the final 6 Flights will begin on #6. After play of the first hole, each group will eliminate the highest 2 scores. After play of the 2nd hole, each group will eliminate the highest score through 2 holes. After the 3 holes are completed, each group will champion 1 team to the final Shootout on hole #6 to determine the overall winner.

Shootout Handicapping: Each team will receive strokes for the shootout using the combined index of both players divided by 6 since we are playing a 3-hole course. We will round up to the nearest whole number. Hole 1 will be the #1 handicap hole, hole 2 will be the #3 handicap hole, and hole 6 will be the #2 handicap hole. Strokes will fall on the applicable holes.

Tees: Tees played will be the same tees the player played in the round-robin tournament. If players on a team play differing tees, the tee used will be whomever has the tee in the odd/even format.

Ties
Flight Winners & Last Chance – will be resolved based on the prior head-to-head match of the two teams. If there is still a tie, then a Sudden Death putt-off will be used to determine the winner (Closest to the hole on a 60' putt).
Shootout – Ties in the shootout format will be resolved by a chip off. A tie on the final shootout hole will be resolved by a closest to the pin from 150 yards.

Ghost Teams
Any "Byes" or potential "No-Shows" shall become a Ghost Team. A Ghost Team is 9 consecutive pars. If you make a team birdie, you win the hole and receive one point. If you make a team par, you halve the hole and receive ½ a point, etc.
