

2026 Ringers Tournaments Terms of Competition

Cutoff Date to Join: 26 March 2026

We hold two season-long tournaments known as Ringers, one on the Blue course and one on the Silver course. The Ringers Tournament is one in which the best **net score** posted on each hole by a player over multiple rounds are added up for one 18-hole score total for each player. Here's a Ringer's scorecard example.

In the example, the Ringerboard line shows your best score on a given hole, based on the best score for that hole over the rounds you play. In the example for hole 1, your first round you scored a 5, but improved your score by scoring a 3 in the next round. A 3 is now recorded on the Ringerboard line.

Dates: Blue Ringers ends on 3 September 2026
Silver Ringers ends on 10 September 2026

Entry Fee: \$5.00 for each tournament, Blue and Silver. 100% of the entry fees will be paid out in prize money in the form of Proshop credits.

Qualifying Rounds: Each round played in an OPC or these specific EMGA Tournaments (Variable Best Ball, Kregel Round 1 and 2, Individual Modified Stableford) is also scored for the Ringers on the course played. You do not have to play all available rounds, but the more you play the better your opportunity. Your net scores per hole are based on your course handicap that the committee assigned for that round.

Format: Comprised of the qualifying rounds on the Blue and Silver course. Each Ringers Tournament is broken into flights of equal number of participants based on
